 I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true: and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby claim the benefit under Title 35, United States Code, § 120 of any United States application(s), or § 365(c) of any PCT

International application designating the United States, listed below

and, insofar as the subject matter of each of the claims of this

application is not disclosed in the prior United States or PCT

International application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the

duty to disclose information which is material to patentability as

defined in Title 37, Code of Federal Regulations, § 1.56 which

became available between the filing date of the prior application

and the national or PCT International filing date of this application.
